

NOTICE OF POSTPONEMENT

Colloquium XVI

LOS ANGELES HOUSING CRISIS: NOT THE FIRST TIME

We regret to inform you of the postponement of our colloquium, which was scheduled for this Saturday, March 14th at the Huntington Library. We have received several phone calls and e-mails regarding the Novel Coronavirus and the canceling of events locally, statewide and nationally.

At this point in time the Los Angeles County Health Department has not declared a local health emergency, however the City of Pasadena Health Department has declared a local emergency. Also, the Huntington Library is postponing events until the end of April.

Based on the best available information today, we believe it is in everyone's best interests to postpone and reschedule the event. As of today, we had 110 persons registered for the colloquium. Although we were taking health precautions, we can never be too safe.

Due to the importance of getting this notice to you as soon as possible. We will immediately begin working with the Huntington Library and our speakers on a new date and inform you as soon as possible. The LARPHG Board Members apologize in advance for any inconvenience this may cause you, but in an abundance of caution we felt the best course of action was to postpone and reschedule the event.

Please feel free to contact Ken Farfsing at kcf817@aol.com or myself, at marshaarood@earthlink.net

Sincerely,

Marsha V. Rood, FAICP
President, LARPHG
